INTERNATIONAL USERS' MEETING

12th > 13th MAY 2014 | TRIESTE, (ITALY)

MAGAZZINO 42, MOLO BERSAGLIERI

SPONSOR AND EXHIBITOR INFORMATION

The 6th edition of the biennial modeFRONTIER International Users' Meeting 2014 is fast approaching. The event provides a unique forum for sharing knowledge and discovering all the latest applications, methods and techniques used in the optimization of design processes and enhancing product innovation. Every two years, the event hosts **200 participants** and over **40 speakers** presenting industrial cases from leading companies including **ABB, Bombardier, Embraer, Ford, Petrobras, Volvo and Whirlpool**. Among the prominent speakers in past editions: **Prof. Kalyanmoy Deb**, global leading expert in evolutionary algorithms, and **John Mannisto** from Whirlpool Corporation.
